SANTA CLARA WILL BE IMPROVED TEAM WHEN THEY MEET WRECKERS

Visitors Have Been Working Out in Fine Fashion Each Day—Showing in Practice Means a Good Chance to Win—Leonard Will Start Game for Missionites—On Form 25th Inf. Should Win, Although Santa Clara Pitchers Show a Heap

There will be a large number of people surprised on Saturday afternoon when the 25th Infantry and Santa Clara battle at 3:30 at Athletic park. There are a number banking on Santa Clara to win, and more banking that the 25th will win, pedestrian speaking.

Practice has been the order this week with the 25th, and the way they have been playing up gives their supporters hope that they will romp in at the wire a winner. In one or two practices the squad looked like the real Santa Clara team. If the pitchers can hold to form the aggression from Schofield will have a busy afternoon.

Always in Lead. Santa Clara has divided with St. Mary's College the honor of having the best baseball team in America for years. Harvard might have beaten either one of them one year, and Michigan with Siles, and Holy Cross with an all-star team might have threatened the coast game, but for some the baseball public has given the honors to these two schools.

Now that the Santa Clara team is here it does not quite shape up to the team trained by the college, but it knows the game and, considering the injuries, has played fast ball. Two of the best hitters on the team were injured and the infield was broken up, but the shift worked all right and the team is going ahead with a purpose—to win from the 25th Infantry.

Major, who was injured in the opening game, was a hard hitter, and a fast man on the bases. Heaters also had a reputation with the bluecoats. All in all the team has met with bad luck and once the pitchers get going they will be hard to stop. Joe

Sneeze has announced that he will send Pinkie Leonard to the hilltop and the curve ball artist will endeavor to do the terrible deed.

Bliss may be eased into the conflict at any time, and if so he should trouble the 25th Infantry more than any other pitcher. They have not faced a southpaw in a game in many moons, and although Austin has been pitching to the batters it is a heap different than in a regular game.

They Hit 'em. Bliss may be wild but this will hardly affect his efficiency against the 25th Infantry, as they receive very few bases on balls. They are up there to hit, and usually do manage to land a few off the war clubs. Brown has shown that he has a world of stuff, but since that 5 to 1 defeat that was wicked on him, Anzures decided that he would not start him in the next game. In fact he was troubled with his arm in that 5 to 1 game, and is just rounding to shape again.

Improved Team. Santa Clara will have a much improved ball team when it trots out on the diamond on Saturday afternoon, and the fans are due for a surprise, but they will need a mighty good team to win, and with Rogan pitching, it looks like a 25th Infantry victory.

On Sunday afternoon the St. Louis team with Barney Joy on the hilltop will meet the Santa Clarians. Barney is out with a communication that reads: "We shall win." Inasmuch as this expression favors the home-town boys it is all right, and if his crooked arm shoots are working as they did against Pat Pace's aggregation, then the fans may look for a real ball game. Barney may go out there and stand them on their heads, and then—well, there isn't any use in taking the joy out of life.

THIS CADDIE HAD ONE SWEET ALIBI
 Eddie Nell one day was besieged by a lot of caddies who wanted the job of caddying for him. Among them was one lit-tle lad who put in the claim of being the best caddie on the links, having the reputation of never having lost a ball. After playing six holes and hooking or slicing the ball out into rough, most every other shot, Ed finally put one over into some long touch grass.

"Look here, caddie, I thought you told me that you never lost a ball," ejaculated Ed, after they had searched for the sphere some five minutes.

"I did, sir," was the reply, "but I never caddied for anyone that played 'em over here before."

ST. LOUIS ALUMNI TO MEET IN BIG REUNION
 The annual banquet and reunion of the St. Louis College Alumni Association will be held at 7:30 o'clock tomorrow evening in the dining hall of the institution. Harry E. Mulroy, who has been elected as toastmaster, will preside. It is expected that several hundred members of the association as well as Bishop Albert, members of the Catholic clergy and Brothers of Mary, will attend. Those desiring to make reservations should apply to Benjamin F. Hollinger, Herman Lempe and Henry Fretz, the committee on arrangements.

WORLD OF SPORT.
 Here's to our trains and autos; may they never meet.

CHICAGO, Ill., June 5.—It was announced that Norman Hart of Cunningham, Kan., had been elected to captain the University of Chicago baseball team for next year, and Jerome Fisher of Chicago to next year's track captainship.

Norman Hart was the big catcher who performed here with the Chicago varsity last fall.

"Hotel Men Beat Actors."—Headline. It was only in a baseball game. In the ordinary run of life the actors generally manage to beat the hotel men.

PORTLAND, Ore., June 19.—Manager McCredie added more strength to the Portland club by the acquisition of Southpaw Willie Mitchell from the Cleveland club. Mitchell was rated last season as one of the stars of the American League. He was out here last fall with the all-star team.

CHICAGO, Ill., June 17.—A home run by Kishi in the sixth inning with three men on bases featured the last game of the series today between the Waseda University of Japan and the University of Chicago, which was won by the Maroons, 7 to 4. Home runs were also made by Cahn and Griffin.

COAST COMPANY PITCHERS SET NEW RECORDS

Hold Opponents Safe for 16 Innings Without a Hit; Not a Man Reaches First

Kelley and Crumpler, the two star pitchers of the 91st Company at Fort Kamehameha, made a new record yesterday afternoon when they held two teams safe for 16 innings without a hit at Fort Kamehameha diamond. To cap the climax of the day, Kelley, pitching against the 68th Company, did not allow a runner to reach first base.

There is no record of a team holding another team or teams for 16 consecutive innings in the same day without a hit, and the records show that only five pitchers have held a team down without a man reaching first base.

Kelley and Crumpler were pitching good ball throughout, and both showed enough to warrant their being given a tryout with a fast organization. Crumpler is a southpaw with a world of stuff, and should he ever leave the army will be given an opportunity to try out with one of the major league teams. McGavin of the Oahu League caught Crumpler in the second game. The results of the games were as follows:

DILLON BEATS MORAN EASILY

(Associated Press by Federal Wireless)
 NEW YORK, N. Y., June 30.—Jack Dillon had a big shade on Frank Moran, the Pittsburgh ex-football star, last evening in a 10-round go. In nine out of the 10 rounds the Indians man had the better of the Smoky City boxer and at the end of the melee had Moran bleeding and in addition closed one of his ribs. Dillon weighed in at 169 pounds, while Moran went in the ring at 204. Dillon, despite his weight, is seeking a match with Jess Willard.

An order for 10 locomotives, to cost approximately \$2,800,000, was received by the Baldwin Locomotive Works from the Lehigh Valley.

Homer With 3 On

Pitcher Kishi, who was the star here with the Waseda team, stirred things up in a fashion at Chicago on June 17, when he hit a long home run with three men on bases against the Chicago University twirler. Kishi had heaps of promise in the pitching line and was easily the star in that department here. He will come with the Waseda team on the Nippon Maru, which arrives here July 5.

HANS WAGNER IN CHARMED CIRCLE AHEAD OF CHASE

CHICAGO, Ill., June 17.—Terrific hitting by the Cubs in the past week put them in the lead in club batting in the National League with 265 and gave them three places among the 10 batters doing 300 or better. Averages published here today, which take in games played last Wednesday, show Jake Daubert still leads the list with 345. Max Carey of Pittsburgh has resumed the lead in stolen bases with 18, but in most other departments the Cubs are ahead. Williams leads in home runs with seven and in total bases with 99; Zimmerman in runs scored with 33, and Fleck in sacrifice hits with 19. The league's 300 hitters are:

Daubert (Brooklyn), 345; Schultz (Chicago), 338; Doyle (New York), 333; Zimmerman (Chicago), 330; Robertson (New York), 329; Wheat (Brooklyn), 316; Hinchman (Pittsburgh), 313; Williams (Chicago), 309; Wagner (Pittsburgh), 303; Chase (Cincinnati), 301.

The 10 leading pitchers who have taken part in 10 or more games are:

Pitcher	W.	L.	Runs.
Pfeffer, Brooklyn	10	2	1.55
Alexander, Phila.	10	3	1.25
Mamaux, Pittsburgh	8	3	1.99
Rixey, Philadelphia	5	2	1.83
Hughes, Boston	5	2	3.05
Demaree, Philadelphia	5	2	3.16
Vaughn, Chicago	4	4	2.35
Cheney, Brooklyn	4	3	1.67
Mitchell, Cincinnati	4	3	2.79
Anderson, New York	6	3	2.59

Only seven regulars are hitting better than 300 in the American League, and Burns of Detroit has edged into second place. Speaker still leads with 338, is ahead in total bases with 108 and in runs scored with 43. The unusual sight of a catcher leading the league in stolen bases is shown with Schaff of Chicago setting the pace with 14, one ahead of such speedy men as Cobb and Sisler. Graney of Cleveland leads in home runs with four, and Gandil, Cleveland, in sacrifice hits with 16. Detroit is ahead in team hitting with 256. The 300 hitters, including only those who have played in at least half the games of their clubs, are:

Speaker (Cleveland), 338; Burns (Detroit), 346; Jackson (Chicago), 337; Cobb (Detroit), 331; Hellmann (Detroit), 319; Numamaker (New York), 308; Smith (Cleveland), 303.

PEARL HARBOR REGATTA WILL BE BIG AQUATIC EVENT OF SEASON

Arrangements Have Been Made to Complete Programs in Time for Attendance at Santa Clara 25th Infantry Game—Myrtles, Healanis and Honolulu Will Be Represented—Duke Kahanamoku Will Row Against Brother in Scull Race

An announcement was made last evening by Ray B. Rietow that the regatta at Pearl Harbor would be completed in time for the spectators to return to Honolulu for the game between the 25th Infantry and the Santa Clara squad. This will give the rowing enthusiasts and baseball fans an opportunity to see both events and the Santa Clara squad will make the trip to Pearl Harbor in the morning if arrangements can be made.

The regatta committee, composed of the following members, Ray B. Rietow, E. J. Hardesty and William L. Lyle, has been working hard to make the regatta at Pearl Harbor a success and has also been handling the details of the trip to Hilo, in which the Honolulu, Myrtles and Healanis will meet the strong Hilo crew.

The action taken by the committee is commendable, as it will give a large crowd an opportunity to attend the baseball game. "We are anxious to make the regatta a big success and will have accommodations for at least 750 people on the train. In addition to the number who will go by auto," said Ray Rietow today. "We feel that we should do our share in helping out both sports and know that the Oahu League would do the same thing in the same way."

By staging the events in rapid order the spectators will be given an opportunity to see the entire program by 2 o'clock, which will give them plenty of opportunity to witness the game.

Arrangements have been made for the handling of a large crowd at Pearl Harbor and lunches will be served by the Sweet Shop Company. It will have on hand a large supply of sandwiches, cakes, pies, lemonade, soda water, ice cream, etc., which will keep the crowd from becoming hungry or thirsty.

The following entries were completed last evening for the regatta: Myrtle Entries.

PHILLY FAN SUGGESTS STEAL FOR FIRST BASE
 A Philadelphia fan comes for ward with a novel change in the playing rules. He suggests to enliven the game and make it more interesting that the batter be allowed to steal first base any time he thinks he can turn the trick. Can you imagine the fuss if the pitchers would be in when a player like Ty Cobb came up and with such a rule in force "Don't know whether the rule would work, but anyhow we would like to see it tried out in a game."
